Only the best of the best qualify for "Indoors," a series of fall horse shows. And of course, Tommi, Kate, and Zara are the best. Still, it's not exactly convenient that this show series starts up just as school is back in session. Tommi's still riding the high of selling the horse she's been training all summer, but ego threatens to get in the way of her riding. Kate and Fitz are still the golden couple at Pelham Lane Stables, but will a new guy at school tarnish her relationship? And Zara has a lot to learn about East Coast schools...and boys. This addictive series just gets juicier with each book. If our favorite equestrians have a prayer of staying at the top of their game, they're going to have to rein in the drama!
