But when billionaire Hale Westbrook decides to run for governor of California, his campaign trail leads him right to a local blue collar diner--and twenty-two year old waitress, Ally.

Hale immediately takes an interest in the cautious young woman, and not just because he's intensely attracted to her. As it turns out, Hale Westbrook's political aspirations may just hinge on him being seen with the right kind of girl on his arm.

And he seems to think that Ally is just the one.

But what starts out as a seductive business proposition, soon turns into something far more complicated. And in the end, Ally may have to come to grips with the billionaire's world of secrets--and her own.

On His Terms is a 15,000 word tale of passion, intrigue, and ultimately- a classic tale of love between two unlikely people.

But nothing is quite as it seems, as the powerful CEO decides that he has special plans for Beth.

Will she let her forceful boss do as he pleases with her body? Or will she choose the safer path, and run from a man who represents her greatest hope and her greatest fear, all in one gorgeous package?
