Sermons for the busy pastor needing a place to start in sermon preparation or additional thoughts to add substance to Sunday's message. Each book in the series provides 25 to 30 outlines. While these outlines are designed to be used in series preaching, most can be adapted for stand-alone sermons. Every sermon outline is directed to the needs of today's congregants to challenge, inspire, and motivate to service for Christ and His Kingdom. As the pastor develops these outlines through further research and personal illustrations, the resulting sermons will become effective channels for spiritual life and growth.
