The Complete Book of Corvette: Every Model Since 1953 (Complete Book Series) Mike Mueller
Chevrolet's Corvette is the most iconic, and some would say only, sports car built in America. This lavishly illustrated work conducts readers through the Corvette's fifty-plus years of continuous production, a rich and varied history unmatched in the automotive world.

An exhaustive review of six generations of American high performance, from the first 6-cylinder 'Vette of 1953 through today's fire-breathing, world-beating C6, *The Complete Book of Corvette* offers an in-depth look at the prototypes and experimental models, the anniversary and pace cars, and the specialty packages for street and competition driving that have made the Corvette a living automotive legend for more than half a century. With extensive details, specs, and photographic coverage, this book is the ultimate resource on America's sports car. Officially licensed with Chevrolet and including many never-before-published photographs from the car maker's archives.
