## Summer 1941

Young Adelia Montforte flees fascist Italy for America, where she is whisked away to the shore by her well-meaning aunt and uncle. Here, she meets and falls for Charlie Connally, the eldest of the four Irish-Catholic boys next door. But all hopes for a future together are soon throttled by the war and a tragedy that hits much closer to home.

Grief-stricken, Addie flees—first to Washington and then to war-torn London—and finds a position at a prestigious newspaper, as well as a chance to redeem lost time, lost family...and lost love. But the past always nips at her heels, demanding to be reckoned with. And in a final, fateful choice, Addie discovers that the way home may be a path she never suspected.

It makes you quickly to read this book, because you can read this book in your Cell phone. So there is no reason for you to past this e-book from your list.

#### **Jeff Brown:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Last Summer at Chelsea Beach can make you really feel more interested to read.
