Baltimore's Great Railroad King: John Garrett of the B&O Peter Maynard

John W. Garrett made a MAJOR difference ... in the growth of the American railroad system ... in the progress of the Civil War. The B&O under Garrett was right on the front line of the war. But Garrett was a Southern sympathizer. The story of how he changed his loyalty, became a friend of Lincoln, contributed greatly to the Union cause -- it all makes fascinating reading! And Garrett, who became Maryland's wealthiest man, was a larger-than-life character, not just one of your "everyday" railroad moguls. His rise to the top is an all-American, Horatio Alger story. And it is an important though little-known part of American history.
