I am the phoenix Mr Gary R Leigh

All myths have their basis in reality. Did the old gods really exist? Are they still around today? This is the story of the Phoenix, Seth, god of chaos, and the events around his attacks on Osiris. The story isn't fictional, however, it's the true experiences and memories of those involved. I am The Phoenix explores that fascinating part of history from the perspectives of the old gods. My name is Gary Leigh. I'm an Empath and some say a psychic. This is a unique and compelling document which gives a very different take on these known myths.
