Metamorphosis and Other Stories: (Penguin Classics Deluxe Edition) Franz Kafka

This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes *Metamorphosis*, his most famous work, an exploration of horrific transformation and alienation; *Meditation*, a collection of his earlier studies; *The Judgement*, written in a single night of frenzied creativity; *The Stoker*, the first chapter of a novel set in America and a fascinating occasional piece, *The Aeroplanes at Brescia*, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.
