Surviving High School: A Novel Lele Pons, Melissa de la Cruz

Vine superstar Lele Pons—“one of the coolest girls on the web” (*Teen Vogue*)—teams up with #1 *New York Times* bestselling author Melissa de la Cruz (*The Isle of the Lost*) in this lovable debut novel about the wilds and wonders of high school that’s as laugh-out-loud addictive as Lele’s popular videos.

Ten million followers and I still sit alone at lunch. Lele is a bulls-eye target at her new school in Miami until, overnight, her digital fame catapults the girl with cheerleader looks, a seriously silly personality, and a self-deprecating funny bone into the popular crowd. Now she’s facing a whole new set of challenges—the relentless drama, the ruthless cliques, the unexpected internet celebrity—all while trying to keep her grades up and make her parents proud.

Filled with the zany enthusiasm that has made Lele into Vine’s most viewed star, this charming novel is proof that high school is a trip. From crushing your crushes (what’s up with that hot transfer student Alexei??) to throwing Insta-fake parties with your BFFs and moaning over homework (GAH) with your frenemies, high school is a rollercoaster of exhilarating highs and totally embarrassing lows. Leave it to Lele to reassure us that falling flat on your face is definitely not the end of the world. Fans of *Mean Girls* will love this fun and heartwarming fish-out-of-water story.
