The Science and Religion Dialogue: Past and Future

This book documents the conference on *The Science and Religion Dialogue: Past and Future*, held at the University of Heidelberg, Germany, October 25-29, 2012. The conference commemorated the 100th anniversary of the birth of Sir John Templeton and the 25th anniversary of the establishment of the John Templeton Foundation. It brought together about 60 active participants, all of them prominent scholars from many countries and many academic fields. Most of them have been engaged in the *Science and Religion Dialogue* for the last two or three decades. This book reports on multi-year international and interdisciplinary research projects at leading institutions. The contributions start with presentations by Hans Joas, Martin Nowak and John Polkinghorne and range from Astronomy, Mathematics, Physics and Biology to Philosophical Theology and Religious Ethics. Special topics of the dialogue between Science and Religion are also dealt with, such as *Eschatology and Anthropology*; *Cosmology, Creation, and Redemption*; *Evolutionary Biology and the Spirit*; and *The Role of Thought Experiments in Science and Theology*.
