The Twice-Killed Man: An Edwardian Mystery: Being a Further Recollection from the Papers of Colonel Sir Francis FitzMaurice, Concerning the Shocking Murder ... in 1907 (Montclaire Weekend Mysteries) E. A. Allen

The Earl of Ormond is dead, and everyone knows he was murdered by his wife. The widely-despised Earl -- one of England's renowned fox-hunting men -- was shot in his own stable at the end of a long-standing dispute about "animals' rights." And the abundance of eye-witness and physical evidence says the Lady did it. Just the sort of open-and-shut case to challenge the formidable skills of the Belle Époque's greatest detective, Gérard de Montclaire. Follow the French sleuth and his associate, Sir Francis FitzMaurice, as they sift a mountain of evidence, brave the assaults of a ruthless adversary, and endure the emotions of private tragedy, to find a surprising truth.
