Focusing on nine different rooms (including her own recently purchased Manhattan apartment), Lara Spencer shows readers that all it takes is planning, shopping know-how, and a little imagination to create beautiful and comfortable homes that reflect their personal style. She takes readers through the step-by-step process of overcoming the challenges of the room, offering helpful tips and lessons along the way. She identifies the design dilemma; comes up with a decorating plan; makes a mood board for inspiration; compiles a shopping list; scours flea markets for furniture and accessories that fit the bill; restores, repurposes, and reinvents the pieces she finds, giving them new life; and brings all the elements together in the gorgeous, finished space. With illuminating before, during, and after photographs of her DIY projects and the room installations, Lara demystifies the decorating process and allows readers to envision endless possibilities for what they can do in their own homes.
