Galore Magazine #12 Kylie Jenner Cover

Galore Magazine #12 Kylie Jenner Cover

Galore Magazine #12 KYlie Jenner Cover Kylie Jenner, who just turned 18 years old in August, is featured on the cover of Galore Magazine in a shoot that's, predictably, photographed by Terry Richardson. If Kylie had her way, she says, she'd be 17 forever. As someone who comes from a family of hard workers, Kylie was destined to inherit her sisters' work ethic. In fact, Kylie puts in tons of work, working on, you know, work, especially since Kris cut off her money supply. "My mom has raised us all like that. I am definitely like that. I need to be doing some type of work all the time," she tells Galore. "If I'm not working for two weeks, I freak out." BUT, she says, "I also love having down time with friends."
