In 1951, a young boy in rural Georgia was visited and abducted by group of alien visitors from an unknown dimension. That contact continued over several decades and resulted in the birth of more than sixty hybrid children... and one of the most remarkable stories in all of UFO lore. LOVE IN AN ALIEN PURGATORY is the startling pictorial account of David Huggins' hidden life, as revealed in his own vivid and sometimes disturbing paintings. With commentary and text by UFO investigator Farah Yurdozu, David's story takes the reader into a world between two dimensions: a purgatory of hope, sex, fear and, ultimately, love.
