The Curious Case of Benjamin Button and Other Stories F. Scott Fitzgerald

Born with the appearance of a 70-year-old man, Benjamin Button grows physically younger with each passing year, until, in the end . . . Well, you'll just have to read it for yourself. A masterful story from the master storyteller of the Jazz Age. The author wrote, "This story was inspired by a remark of Mark Twain's to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end. By trying the experiment upon only one man in a perfectly normal world I have scarcely given his idea a fair trial." But the author was wrong: It's a knockout of a story--recently released as a major motion picture starring Brad Pitt and Cate Blanchett. This edition of the book also includes "The Jelly-Bean," "The Ice Palace," "The Offshore Pirate," "Head and Shoulders," "Bernice Bobs Her Hair," "May Day," "The Diamond as Big as the Ritz," and "Winter Dreams," all newly formatted and typeset for modern readers by Waking Lion Press.

This book was represented how does the world has grown up. The terminology styles that writer use to explain it is easy to understand. The actual writer made some investigation when he makes this book. This is why this book suited all of you.

Brenda Evans:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see

colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Curious Case of Benjamin Button and Other Stories can make you sense more interested to read.
