## **The Practice of the Wild: Essays** Gary Snyder

Gary Snyder has been a major cultural force in America for five decades. Future readers will come to see this book as one of the central texts on wilderness and the interaction of nature and culture. The nine essays in *The Practice of the Wild* reveal why Snyder has gone on to become one of America's cultural leaders, comprehending things about our world before they were ever discussed in public. With thoughts ranging from political and spiritual matters to those regarding the environment and the art of becoming native to this continent, this collection of essays, first published in 1990, reflect the mature centerpiece of the author's work and thought.
