Brave Commander Toad and the crew of the spaceship *Star Warts* have a mission: they must go where no spaceship has gone before and bring a little bit of earth out to the alien stars. But when they try to land their sky skimmer on the planet made of water, a terrible sound rises from the waves. Deep Wader is not pleased at being disturbed. "This planet belongs to me," he roars. It looks as though the crew of the *Star Warts* might become the monster's lunch.
