HMS Prometheus (The Fighting Sail Series) (Volume 8) Alaric Bond

Autumn 1803, and Britain remains under the threat of invasion. HMS Prometheus is needed to reinforce Nelson's squadron blockading the French off Toulon, but a major action has left her severely damaged and the British Fleet outnumbered. Prometheus must be brought back to fighting order without delay, and the work proves more than a simple refit. Barbary pirates, shore batteries and the powerful French Navy are conventional foes, although the men of Prometheus encounter equally dangerous enemies within their own ranks. A story that combines vivid action with sensitive character portrayal. Number eight in the Fighting Sail series.
