Illustrated Buyer's Guide to Used Airplanes Bill Clarke

The best way for private pilots with limited means to obtain the plane of their dreams is to purchase a used one -- and there's no better way to buy one without getting burned than this heavily illustrated guide. Focusing on airplanes priced at \$100,000 or less, the author walks readers through the entire process of purchasing a used plane: prospecting the market, determining a plane's true value, closing the deal, partnership, and much more.
