Lions in the wild will give a unique spark to the imagination of a child because of all the different lions in the wild. The imagination of children will also be sparked when they find out how these lions get their food on a daily basis. Children will get to see the different colors of lions and how they got their color. Learning how a lion sleeps, how a lion protects children, and more will keep children interested for hours.

#### **Alexandra Robbins:**

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Lion Kings: A Lion Book for Kids can make you really feel more interested to read.
