Samuel F.B. Morse

H. A. Lewis

Samuel F.B. Morse H. A. Lewis

A biographical story written in 1888, this is a look at both Professor Morse as well as those who inspired him. We get to experience the frustration he felt at the initial lack of backing by the U.S. Government, and the joy he experienced at proving his theories and expanding the reach of his greatest invention - the telegraph. We also learn that, beyond a profound inventor, Morse was first known as a very gifted artist. This is a biographical sketch for all ages. Narrated by Glenn Hascall.
