Ali can't figure out what just happened. She was about to have the rebound sex she needed to get over her ex when she's suddenly left alone in his bedroom? What did she do wrong? Hilary is going to hear about how her plan backfired and humiliated Ali in the process.

But things take another sudden turn and Ali finds herself falling for Riley Grayson—good-lucking ladies man, Riley Grayson. She's got it bad, and instead of chewing Hilary out about her terrible idea, Ali can't stop talking about how great Riley was in bed and how she can't wait to see him again.

Hilary makes sure Ali doesn't come off as too crazy and needy, but what the girls don't know is that Riley's got it just as bad as Ali. They finally get together for a real date, but it ends up being cut short when Ali learns something disturbing about her own past. Will she be able to move on and see what she has right in front of her or will the skeletons in the closet be too much for her?
