This innovative project in poetry translation serves as a model for both cross-cultural interpretation and individual poetic exchange by authors. Two internationally recognized poets, Ursula Le Guin of the United States and Diana Bellessi of Argentina, have translated each other's works as a means of bridging cultural gaps and promoting cross-cultural and bilingual understanding. After years of working together and perfecting their translations of each other's poems, both Le Guin and Bellessi are now ready to issue their works in this composite anthology.
