## **What the Bible Says About Gray Areas (BIG TRUTH little books) (Volume 3) Cliff McManis**

How do we make godly decisions on issues that are not specifically addressed in the Bible? Questions about holidays, movies, entertainment, even the specifics of church life can often burden Christians because they seem to preclude clear, straightforward answers. And because these questions usually include elements of personal preference, believers can find themselves looking down on Christian brothers and sisters who hold different opinions. In this book, Cliff McManis helps us navigate these tough questions. Drawing from Romans 14, McManis provides us with the principles necessary to make decisions on the "gray areas" of life and maintain unity among our church family.
