Lila Raspreno is a genetic experiment that went horribly right. She is the world's only Telepathic Empathic Telekinetic Pyrokinetic. She had built a safe haven for others like herself called Sapp; School for the Advancement of Practical Psionics. Then she stumbled upon Anderson Olm, the single most powerful Cognitive that she has even met. Someone wants Anderson Olm dead. And they are willing to kill her to get to him. There is something special about him and none of the experts in the field of Psionics have any idea what it is. As Lila tries to understand what is so special about him, she falls further down the rabbit hole of her past and what it has to do with her future. Is Anderson Olm the answer that has eluded the experts? Or is he just another freak in Lila's freak show of Sapp?
