“A system that allows a ten year old girl to pretend that she is older and a middle aged man to pretend to be a ten year old girl.”, he paused shaking his head ever so slightly as if it had only just struck him how crazy this world was, then continued. “This is not something that our society can tolerate, the internet has been lawless for too long, and I think that now it’s high time for it to be brought out of the darkness and into the light. When a New York lawyer tries to identify an anonymous benefactor funding an internet court case. He unwittingly starts to unravel a network of deception that stretches across the Atlantic involving murders and destroyed lives. As the story unfolds it raises questions about how the internet entwines itself with our lives and twists our perception of reality. The story is fast paced, filled with credible explanations of how technology can be abused and a twisting plot line which at seemed to be playing out in reality. Clear line of sight will make you pause for thought every time you log on to the internet.
