I Was Here

Gayle Forman

I Was Here Gayle Forman

The newest heartwrenchingly powerful novel from the bestselling author of IF I STAY.

When her best friend Meg drinks a bottle of industrial-strength cleaner alone in a motel room, Cody is understandably shocked and devastated. She and Meg shared everything—so how was there no warning? But when Cody travels to Meg’s college town to pack up the belongings left behind, she discovers that there’s a lot that Meg never told her. About her old roommates, the sort of people Cody never would have met in her dead-end small town in Washington. About Ben McAllister, the boy with a guitar and a sneer, and some secrets of his own. And about an encrypted computer file that Cody can’t open—until she does, and suddenly everything Cody thought she knew about her best friend’s death gets thrown into question.

I Was Here is Gayle Forman at her finest, a taut, emotional, and ultimately redemptive story about redefining the meaning of family and finding a way to move forward even in the face of unspeakable loss.

Jill Lee:

In this time globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. Often the book that recommended to you is I Was Here this publication consist a lot of the information of the condition of this world now. This kind of book was represented how does the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. Often the writer made some research when he makes this book. That is why this book ideal all of you.

Laree Drummond:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this I Was Here can make you truly feel more interested to read.
