WHAT IF YOUR FATHER ISN'T WHO YOU THOUGHT HE WAS?

"I turn up the volume as a woman at a news desk announces, 'This just in...the alleged DB25 monster has been arrested.' Good. The camera switches from the anchor to a mug shot...and it is my face--or at least my face as it will look thirty years from now...A new image replaces the full-screen mug shot as I see two cops hustling my handcuffed father into the back of a police car." Kevin has to face the worst imaginable possibility: that his father may be the man responsible for a series of vicious killings. How much does he really know about his father?
