A Hot Steamy MMF Menage Story

Twenty-three-year-old twin brothers Marcus and Max don't know a lot about their family history, and what they've been told is pretty hard to believe. Their late father always said they were special, and that there was something unique and powerful in their genes.

But if they are to pass on their legacy to a new generation, Marcus and Max must come together and mate with the same female... which is one of those things that's a lot easier said than done. They have to find a female who will have them both, and she, too, must be special if they are to succeed. Finding her may not be easy, but it sure is lots of fun, and the brothers get into several sexy situations along the way. Join them on their search, and get ready for an erotic adventure like nothing you've experienced before.
