## **To the Finland Station: A Study in the Writing and Acting of History** Edmund Wilson

Edmund Wilson's magnum opus, *To the Finland Station*, is a stirring account of revolutionary politics, people, and ideas from the French Revolution through the Paris Commune to the Bolshevik seizure of power in 1917. It is a work of history on a grand scale, at once sweeping and detailed, closely reasoned and passionately argued, that succeeds in painting an unforgettable picture--alive with conspirators and philosophers, utopians and nihilists--of the making of the modern world.
