For over one hundred years, the Colby family has dedicated itself to breeding the best Pit Bull Terriers in the world. This long-awaited book, written by the son of the great John P. Colby, the pioneer breeder who helped establish the Pit Bull in America, documents one hundred years of the Colby family's breeding program, capturing in painstaking detail the dogs that became the pillars of the Pit Bull Terrier in pedigree and story, as well as in many rare photographs that have never been published before. Because of the quality of the dogs they bred and the clear documentation of their breeding program, the Colbys are among the most respected dog families in America. Practically every American Pit Bull Terrier in the world today can trace its pedigree back to the Colby dogs.
