Find Me is an awesomely suspenseful thriller for teens, complete with action, hacking intrigue, and a blossoming romance . . . and it's now available in paperback!

When Wick gets to school and hears that Tessa's just been found dead, she knows something bad is going down. Now Wick's got a choice to make: ignore the diary and try to forge on with her sister, Lily, and their latest foster parents. Or use her computer-hacking skills to investigate Tessa's suicide. When Lily is marked as the next target, Wick knows what she has to do. Giving up is not an option when the threat hits so close to home.

And don't miss the sequel, *Remember Me*, and the digital original novella featuring Wick!
