The Sociopath Next Door: by Martha Stout | Key Takeaways, Analysis & Review

## Preview:

Sociopaths comprise an alarming four percent of the population; that is, one in every 25 people is a sociopath. But this mental disorder is not well understood and many people fail to recognize it in others, which makes sociopaths difficult to identify and potentially very dangerous. It is urgent that people understand what a sociopath is and learn to recognize their revealing traits in order to protect themselves against these individuals who otherwise blend into the general population...
