The West in the World, Volume I: To 1715 Dennis Sherman, Joyce Salisbury

Connect students to the *stories* of history. Connect students to *success* in history. Connect students to the *experience* of history.

At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. The new edition of *The West in the World* is a direct result of this in-depth research.

The West in the World's newest edition is also a first in the teaching and learning of Western Civilization. Its groundbreaking web-based digital solution, its unique mid-length and lively narrative, and its rich, outstanding visuals creates a unique teaching and learning environment propelling greater student success and overall improved course results. Instructors gain better insight into students' engagement and understanding as students develop a base of knowledge and construct stronger critical thinking skills. Unparalleled coverage of art and culture as well as science and technology sets the stage and provides rich insights into historical time periods and events. The captivating stories and lush images keep students turning the page, helping prepare for class discussion and course work while its groundbreaking digital learning solution enables students to confirm what they know and identify what they don't through engaging interactivities.

The West in the World illustrates the significance of economic, political, social and cultural interactions that shaped Western civilization while asking students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. With *The West in the World*, students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. As students uniquely experience the history of Western Civilization, *The West in the World* propels students to greater understanding and the achievement of greater course success.

Experience *The West in the World* and experience greater course success.

With the CourseSmart eTextbook version of this title, students can save up to 60% off the cost of a print book, reduce their impact on the environment, and access powerful web tools for learning. Faculty can also review and compare the full text online without having to wait for a print desk copy. For maximum portability, eTextbooks can be viewed on an iPhone or iPod Touch, and they can be printed.
