HER

My life is fear. These streets are paved with the blood of innocent and guilty alike. Nobody escapes the reach of the gangs.

There's never been anyone but family I could trust, and family was only ever mom and me.

All that changed the night I woke up to find **him** in my bed.

Barely conscious, covered in ink.

Marked for death.

Everything I fear lurks in the shadow he casts, in the path he's hewn to my door.

I never wanted to spend my life on the run, yet I can't turn him away. I'm his only chance, and maybe he's mine.

HIM

Me and my brother been fightin' against everythin', our whole lives. The law, the man, whatever.

When I found her, saw her face... suddenly I had somethin' worth fightin' for.

I'll do whatever it takes to keep her safe.

But can she ever be truly safe if she's by my side?

These organized crime a\$\$holes think they got the balls to take on me an' my brother? We'll take our fight all the way to the top.

Anyone tries to stop me, I'll strike 'em down with a righteous hand.

We'll free this city.

I will save **her**.

Vigilante Badass is the latest release from romance author E. K. Sabins. It has steamy romance, thrills, and a bad boy you will not forget. It is a *standalone story with an HEA and no cliffhanger* (for my main characters).
