Antigone (Methuen Drama, Methuen Student Edition)

Jean Anouilh

Antigone (Methuen Drama, Methuen Student Edition) Jean Anouilh

Jean Anouilh, one of the foremost French playwrights of the twentieth century, replaced the mundane realist works of the previous era with his innovative dramas, which exploit fantasy, tragic passion, scenic poetry and cosmic leaps in time and space. *Antigone*, his best-known play, was performed in 1944 in Nazi-controlled Paris and provoked fierce controversy. In his allegorical tale, Antigone defies the tyrant Creon and is sent to her death. *Antigone* conveyed to Anouilh's compatriots a covert message of heroic resistance to Nazi occupation; but the author's characterisation of Creon also seemed to exonerate Marshal Petain and his fellow collaborators. More ambivalent than his ancient model, Sophocles, Anouilh uses Greek myth to explore the disturbing moral dilemmas of our times.

Commentary and notes by Ted Freeman.
