Autobiography: My Story Kelly Brook

From a council house in Kent to her first home in the Hollywood hills, from being told she was too big to model to becoming an inspiration for curvy girls everywhere, Kelly's life has taken many unexpected turns. She dreamed of escaping her chaotic childhood by becoming an actress—she never imagined she'd become a hugely popular pin-up girl who would pose in Playboy and date some of the most attractive men in the world, or that her tempestuous relationships with the likes of Jason Statham and Billy Zane would be played out in the merciless glare of the media. Now, in her compelling autobiography, Kelly writes with total honesty about the men she has loved and the tragic loss and heartache she has overcome, as well as introducing readers to her world—that of a model, actress, presenter, and business woman. This is the real Kelly. The girl behind the gloss. A funny, feisty woman who lives life on her own terms.
