Cambridge Handbook of Institutional Investment and Fiduciary Duty

Cambridge Handbook of Institutional Investment and Fiduciary Duty

The Cambridge Handbook of Institutional Investment and Fiduciary Duty is a comprehensive reference work exploring recent changes and future trends in the principles that govern institutional investors and fiduciaries. A wide range of contributors offer new perspectives on dynamics that drive the current emphasis on short-term investment returns. Moreover, they analyze the forces at work in markets around the world which are bringing into sharper focus the systemic effects that investment practices have on the long-term stability of the economy and the interests of beneficiaries in financial, social and environmental sustainability. This volume provides a global and multi-faceted commentary on the evolving standards governing institutional investment, offering guidance for students, researchers and policy-makers interested in finance, governance and other aspects of the contemporary investment world. It also provides investment, business, financial media and legal professionals with the tools they need to better understand and respond to new financial market challenges of the twenty-first century.
