Rebecca. . .willing to fight charges of bigamy in a Salt Lake City courtroom and face the polygamist who forcibly took her as his wife. All she ever wanted was to be valued for her independence and to become a real doctor. But to achieve that dream, she must struggle to find her place in her husband's world of powerful and rich Washington D.C. doctors and politicians. . .and to avoid being another beautiful and bored high-society wife. While overcoming an eastern medical community's ridicule and prejudice, Rebecca will find a way back to Wyoming. . .with or without her aristocratic husband.

Yancy Dover. . .a tall, tough Texas cattleman haunted by the tragic loss of his wife and child, he intends to build a cattle ranching empire in the Wind River country and claim a strong and beautiful wife. . .even if she happens to be married.

Katie. . .spurned by the only man she has ever loved, but blessed with his child, she is determined to become the most powerful sheep rancher in Wyoming...and cattlemen such as Yancy Dover be damned!

John Betterman. . .rich and hopelessly bored with being a railroad baron, he finds peace in the beauty of Yellowstone and the first challenge of his young lifetime on the high, grassy plains of Wyoming while pledging to make Katie rich beyond her wildest dreams.

Devlin Woodson. . .he has won Rebecca's hand in marriage and fought for her right to throw off the yoke of polygamy, but can he ever be content with being a cattleman while giving up his calling as a gifted surgeon?
