Teen Titans Vol. 2: Rogue Targets Will Pfeifer

Writer Will Pfeifer (CATWOMAN) and artists including Kenneth Rocafort (SUPERMAN) and Alisson Borges (BATMAN: ARKHAM KNIGHT GENESIS) turn the Titans' world upside down!

After saving New York City from a nuclear bomb, the Teen Titans are more famous than ever. TV appearances, reality shows, tribute bands-the sky's the limit for the country's favorite teenage superheroes!

But when their former teammate Superboy appears out of nowhere, public opinion does a fast 180. It looks to the world like Kon-El is responsible for a senseless mass murder, and even Kon himself can't remember what really happened. Superboy turns to his friends for help, but not all the Titans are ready to put their blind faith in the Kryptonian clone.

Soon, it's Titan against Titan as they struggle to find the truth. With the team fractured and their attention divided, will they be able to see the bigger picture? Or will the mysterious threat manipulating their loyalties from the shadows get the best of the Teen Titans?

Collects issues #8-13, TEEN TITANS ANNUAL #1 and DC SNEAK PEEK: TEEN TITANS #1.

So there is not any in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book style for your better life in addition to knowledge.

Sandra Wright:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Teen Titans Vol. 2: Rogue Targets can make you truly feel more interested to read.
