## **The Hollow of the Hand: Deluxe Edition** PJ Harvey, Seamus Murphy

Between 2011 and 2014 PJ Harvey and Seamus Murphy set out on a series of journeys together to Kosovo, Afghanistan, and Washington, D.C.. Harvey collected words, Murphy collected pictures, and together they created an extraordinary chronicle of our life and times. *The Hollow of the Hand* marks the first publication of Harvey's powerful poetry, in conversation with Murphy's indelible images. It is a landmark project and will be published internationally in autumn 2015.

As PJ Harvey says:

'Gathering information from secondary sources felt too far removed for what I was trying to write about. I wanted to smell the air, feel the soil and meet the people of the countries I was fascinated with. Following our work on *Let England Shake*, my friend Seamus Murphy and I agreed to grow a project together lead by our instincts on where we should go.'

Seamus Murphy adds: 'Polly is a writer who loves images and I am a photographer who loves words. Our relationship began a few years ago when she asked me if I would like to take some photographs and make some films for her last album *Let England Shake*. I was intrigued and the adventure began, now finding another form in this book. It is our look at home and the world.'

*The Hollow of the Hand* will be available in a hardback edition with highest quality photographic reproductions, as well as a reader's paperback version.
