## **An Introduction To Modern Western Civilization** Edmund Clingan

Over the past 250 years, Europe and the United States have changed from simple societies into complex, densely-populated, industrial powerhouses. This book explains how it happened in clear language intended for the general reader. Each chapter includes a timeline, key terms and persons, and web-based sources of writings from the time. "We may be through with the past, but the past is not through with us."
