**Heat Level: Scorching!**

The *Taken By Cowboys* series features ripped billionaire Cowboys, tanned rugged ranchers, a curvy heroine and *steamy* ménage romance!

*Jess Jones is sick of life in New York City.*

Her work hours are endless and her manager treats her terribly - apparently that's what you get when you're a curvy girl working in fashion PR.

When Jess receives a brochure for a retreat on a guest ranch in Wyoming, she finds herself drawn to the prospect of spending some time on a quiet ranch out West. After speaking with a mysterious, flirtatious man who works there, she boldly decides to quit her job and leave for the ranch.

But her outdoor getaway might be a little more...invigorating than she thought. That's because the mysterious voice on the phone belongs to a dark, handsome cowboy named Spencer--who is best friends with a playful, confident rancher named Nate.

**Two cowboy hunks? Jess is in for two times the trouble.**
