ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Immerse yourself in Spanish language and culture!

Identities empowers learners to acquire Spanish language skills while immersing them in the richness of the Hispanic world and its people.

I **dentidades** is a two-semester intermediate Spanish program that brings the goals of the National Standards to virtually every page of the text and its ancillary components. The program presents and treats the cultures of the Hispanic world in ways that are both appealing and appropriate for college students and simultaneously maintains reasonable expectations for their understanding and productive use of grammatical concepts and structures. Communicative and rich in cultural content, *Identities* is engaging, supports the language-learning process, and prepares and encourages students to continue their exploration of the Spanish language and Hispanic cultures beyond the second year.

Teaching & Learning Experience

- **Communicative and Content-Based Approach** - The goal of the program is to ensure that intermediate level Spanish learners build their language skills in rich communicative and cultural contexts. Communicative activities found throughout the program draw learners to the material presented and help them apply the content to their own experiences.

- **Connect with Culture** - By engaging with the cultural, artistic, and social manifestations that infuse the program, learners will deepen their understanding that the Spanish-speaking world is made up of many races, ethnic groups, and cultures.
- **Explore Grammar** - The philosophy that underlies the presentation of grammar in *Identidades* is that adult language learners benefit from straightforward explanations and examples, as well as from opportunities to use structures in both controlled and open-ended activities that embed the targeted structures in meaningful communicative contexts.
- **Build Vocabulary** - Learners are introduced to vocabulary in the context of thought provoking reading selections.
- **Develop Skills** - A strategy- and process-oriented approach to reading and writing guides learners to apply their cognitive skills to communication in a second language. Reading strategies and tips, which draw the learners' attention to key ideas or unfamiliar words or phrases in the passages of each chapter, help readers develop their reading-comprehension skills in Spanish, employing techniques and skills that they use automatically when reading in their native languages. Writing strategies and tasks provide guidance for students to produce descriptions, narrations, and explanations in writing. Research-oriented writing activities prepare the learner for courses beyond the second year.
- **Personalize Learning** – MySpanishLab's proven results are available for Intermediate Spanish courses! MySpanishLab for *Identidades* will be available for Fall 2012 courses.
