Leading with Focus: Elevating the Essentials for School and District Improvement Mike Schmoker

In his 2011 ASCD best-seller *Focus: Elevating the Essentials to Radically Improve Student Learning*, author Mike Schmoker described a fresh approach to K–12 teaching built on three core elements: a focused and coherent curriculum; soundly structured lessons; and purposeful reading and writing, or authentic literacy. Now, in *Leading with Focus*, he shows administrators, principals, and other education leaders how to apply his model to the work of running schools and districts. In this companion to his previous book, Schmoker offers

- An overview of the case for simple, focused school and district leadership, demonstrating its power for vastly improving the work of teachers and leaders.
- Examples of life schools and districts that have embraced focused leadership—and the remarkable results for student learning.
- A practical, flexible, and easy-to-follow implementation guide for ensuring focused leadership in schools and districts.

All students deserve to learn in schools where educators eschew distractions and superfluous activities to concentrate on what s most important. To that end, this book is an essential resource for leaders ready to streamline their practice and focus their efforts on radically improving student learning.
