Angel and Ryker take the next step in their relationship, while her life continues to hang in the balance.

Ryker discovers something new about Sterling, while his ex-wife Veronica is putting her new job on the line with a secret of her own.

Will Angel's life be saved while someone else loses theirs?

**Note: Third of *four* in a mature romance serial. Read Part One & Two first!** (Also, this book is not erotica, even though it's listed that way in the categorization. After multiple attempts to get Amazon to fix it, they haven't, so that's why I'm just stating it here. Thank you and enjoy!)
