The Boogie Man Is My Friend: Not A Ghost Story Kathryn Loving

It's hard to imagine the unthinkable. Most of the time we are all in denial. How do we prepare for it? Do we know how to protect our children from it? Most parents or guardians will never know...until it's too late. And by then, the Boogie Man is their friend. Kathryn Loving takes you along her journey from being raised in a middle class family with good values to her adventures as a police officer. She shares the insides of her life in the policehood, battling child molesters and evil doers. It's nothing like a super hero story. When all was lost in the sorrow from the countless victim children, God kept her soul. She and her village battled to bring those that preyed on our children to justice. And justice they received. The book is filled with the unexpected. It will wake anyone up to what lurks out there...waiting to pounce...on anyone's children. There is no class or economics when it comes to child predators. The Boogie Man Is My Friend is a book about a heavy subject that most people don't want to explore or even fathom. Loving takes you there...to that dark place... but not without success, solutions, and believe it or not...humor...lots of it. Her cop stories are throughout to make you laugh after you cry. You might be shocked. You might laugh. You might cry. But one thing is for certain, you will be awake. It's real. It's genuine. It's life. It needs to be told.
