Our intention is to create an interactive experience for children around the lessons within the book,

- This Thing Called You by Dr. Ernest Holmes

Crafts help younger children deepen their understanding of the message of each story. Additional material with Tweens and Teens help them better understand the impact of these lessons on their individual lives. These lessons have been written for adults, teachers, mentors and parents; not for study by the student directly. For illustration, we use science, nature, history, art and parables from all the world's religions and cultures. **About This Thing Called You:** Every one of us has the power to create the life we want. We can have all the joy, love, friends and excitement we desire. Written in 1948, "This Thing Called You", by Dr. Ernest Holmes, is an intimate guide through which readers will learn the important lesson of how they are an immutable part of the flow of life, and how they may fulfill the longing, within all of us, to live more fully. Dr. Holmes shows there is a power in the Universe, and you can use it! **About The Golden Thread of Truth:** There is a common thread that runs through all the world's religions. Love thy neighbor. You reap what you sow. We are stewards of the earth and each other. Treat others as you would like to be treated. Parents around the world, from all religious beliefs, cultures and lifestyles, teach these values to their children through timeless stories. Share these insights with your children to enhance their knowledge, respect for others and understand this Golden Thread of Truth!
