Lexi's life is one big dump. Or so she thinks. To keep her mind off her latest breakup, she stays busy with work. It's no big deal, since writing for Time Out Portland Magazine is a blast...except for the one small snag – Grant Reeds.

Grant, a shy but sexy computer geek, is new to Time Out, working as the Networking Director for the online magazine. Even though Lexi thinks he doesn't notice her, he sure as hell does. The owners have a plan for their upcoming Valentine's Special, pairing up the two to explore romantic date ideas around the city.

Soon, Lexi and Grant learn that the old adage, "Opposites Attract," can ring true.
