## **Walks With Rich: A Personal Tribute to Rich Mullins** C. W. Hambleton

Rich Mullins was one of the formative voices in contemporary Christian music and touched millions of lives with his simple yet profound worship songs. He was renowned for playing his concerts in bare feet, worn-out jeans and old T-shirts, along with composing intricate melodies and incorporating unconventional instruments such as dulcimers and tin-whistles into his music. While Rich is best remembered for such hits as "Awesome God" and "Step by Step", echoes of his heart and soul are best heard in his less popular works. Rich always did seem like a B-sides kind of guy, not wanting to draw much attention to himself or conform to whatever was popular as much as sharing his music with others wherever and however he could. And it is in those B-sides songs that much of his life, soul, and very personal relationship with God are revealed. This personal tribute to Rich Mullins explores many of his B-sides songs and delves into how his faith, compassion, brokenness, and joy shaped his music, and how his songs can still speak to fellow believers today.
